Dr. Forrest C. Allen,
Department of Physical Education,
University of Kansas,
Lawrence, Kansas.

Dear Dr. Allen:

Congratulations to you and your splendid basketball team. Thoroughly enjoyed both Friday and Saturday nights' performance.

A Missouri alumnus suggested that the Kansas band, in view of its excellency, should be on hand next Saturday night. Far be it from me to suggest anything that might increase the overhead for I know very well how the Athletic Department needs the money, but there should be enough vacant seats in motor cars coming down here from Lawrence next Saturday night to transport the band without any cost to the Athletic Department and Lawrence citizens would certainly be glad to furnish such transportation, it seems to me. The band would certainly be happy to play in view of their being allowed to see the game free. I would almost grab a horn myself but will have to invest in more tickets.

You might pass this letter along to Mr. Henry if you so desire.

Again thanking you for good winter basketball entertainment, I am

Sincerely,

W. W. Fuller

Later: Bought two seats in the south end of the hall for Saturday night so should certainly have a sell-out.
