Dear Dr. Allen:

I thought I'd better let you know what is the next step in this red-tape I am going through in an attempt to get a Michigan certificate. Mr. Hazel, my Superintendent, went to Lansing Monday to see Mr. Sidrick. Mr. Sidrick said he would issue me a temporary certificate for this year, but I could not get a Michigan certificate for another year unless I got another hour of practice teaching. If I have to spend next summer taking practice teaching, I won't be able to get my Masters Degree.

Mr. Sidrick suggested that Mr. Hazel write to the Registrar at K.U. asking if one hour of credit could be allowed for the assistant teaching I did in the department there. Mr. Hazel sent a letter yesterday and asked me to send one today to the registrar, so if the Registrar comes to you inquiring about me and the work don't be surprised.

I'm keeping my fingers crossed, for I can't see myself spending an entire summer taking practice teaching and not getting my Masters Degree. I realize that this request is quite unusual and I have
