Dear Sir:

While I was attending the University of Kansas, I was very much impressed by the posters of posture and correct shoes in the education bulletin board. Upon inquiring about them, I find that they were made up under your direction. I would like very much to have copies of some of them if it is at all possible. I would like to use them in Physical Education work in the high school in which I teach.

I would appreciate information about the posters very much.

Sincerely,

Sue Fowler

*Mrs. Hulteen: Could you fix this girl
up with information? Mr. Bingham would
be able to supply the photos

Thanks for the bulletin -
