Mr. L. B. Fugitt,
Central Construction Co.,
Garden City, Kansas.

Dear Mr. Fugitt:

Your letter of the 11th instant arrived just before I started for St. Louis and Atlanta, Georgia, where I am to teach in a coaching school at Georgia Tech.

It would be a great pleasure for me to help LeRoy in any way that I can, but you know that since I am no longer director of athletics I have little if any patronage to give out. I am wondering what talents LeRoy has in the way of doing special work. As I recall, LeRoy has never worked at any job since he has been here at the University, so I am at a loss to know which way to turn to help him obtain campus employment.

I will be back in Lawrence about September first, and if LeRoy will write me and give me a lead as to what special type of work he can do I would be glad to use what little influence I can in helping him. So I will expect a letter from LeRoy on my desk before September 1, and if I can land him a job it will be a decided pleasure for me to assist him.

At present I do not have in mind any young man who can qualify as a time-keeper and bookkeeper, but I have inquired of Mr. Quakenbush, of the Lawrence Business College, and he said that he would look into his list. Mr. Quakenbush is a good friend of ours.

With kindest personal regards, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
