U of Kansas
Lawrence
Kans.

CONSUMER INTERESTS BUILDING

For the first time at any general international exposition a special building at the New York World's Fair 1939 is devoted to the interests of consumers, designed by Frederic Hirons and Peter Copeland. This building will be situated in the heart of the Fair's main exhibit area. It will contain exhibits showing the consumer how to get the most for each dollar spent for merchandise.

Wet Freiler

FRANK E. COOPER, 258 BROADWAY, NEW YORK, N. Y.
