Mrs. L. N. Flint,
1603 Louisiana St.,
Lawrence, Kansas.

Dear Mrs. Flint:

Immediately after your call last Saturday morning I talked with Mr. Jude Anderson, Chief of Police. I explained to him the need for some direction of the traffic at 16th and Louisiana streets, and he responded in a very fine manner.

He said that he would take care of it at once and that he would place placards directing the flow of traffic. I would like to know from you just what was done the other day and if it was satisfactory.

I am enclosing copies of my letters to Mr. Anderson and to Chancellor Lindley.

If I can be of any service to you at any time, it will be a pleasure.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
