Department of Journalism,  
University of Kansas.

Dear Professor Flint:

In the rush of things I have not had an opportunity to write you and thank you for your visit to my office on the day we held the basketball clinic here for the high school players and coaches.

I was in Kansas City that Saturday morning attending a meeting of the Big Six coaches, and did not return until early afternoon. I am sorry I was not here, but I appreciated your dropping by.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
