Mr.Phog Allen,
Basketball Coach,
University of Kansas,
Lawrence, Kansas.

Dear Phog:

For several years I have been attending the Kansas University versus Oklahoma basketball game at Lawrence but I have never been able to be present when Oklahoma beat Kansas on the Lawrence court. I want to see the game Saturday and felt sure that if I gave you the above information, you would send me two good seats for the game, for I am sure you would not want the Kansas winning streak to be broken.

I enclose herein my check for \$1.50, which I understand is the price of the tickets, and I will appreciate it if you will forward two tickets to me in the enclosed self-addressed envelope.

Fraternally yours,

Claude A. Ferguson Oklahoma Alpha 21
