Dear Sir:

Reference is made to the Table Tennis Exhibition to be held Wednesday nite, February 2nd in Lawrence. In making arrangements, I find the personnel will be as I notified you over the telephone last Sunday. For confirmation, I am enclosing the names of the players and their titles.

In regard to the tickets, I would like to have eight or ten, preferably ten, as it seems each player would like to bring someone, not only to see our games, but to see your boys beat Nebraska. I do not want to abuse your generous offer but if you can spare that many, I believe it will compensate the players and drivers for the expense of the trip and will be greatly appreciated by all concerned. Please mail them to me in care of the Federal Reserve Bank, Kansas City, Mo.

Inasmuch as we are all United States Table Tennis Association members, our exhibition must be sanctioned by them. We have written for same and I am sure that it will be approved by them.

I have never been in your Basketball Stadium so I do not know the arrangements. I was wondering if it would be possible to have one table located outside the hall where we could have a little warmup beforehand. This would enable us to use the full twelve minutes for playing games. If this plan cannot be conveniently arranged it will be perfectly satisfactory for us to warmup during the allotted twelve minutes.

Thanking you in advance for everything I remain,

Very truly yours,

Ruth Forsythe
