Dear Jack:

Thank you for your letter of the 12th. I note you say the bus charge for eleven persons, round trip, is \$13.20.

You remember before we had a chartered bus. Isn't this true this year? They only leave Des Moines on certain hours unless you have your own bus. You remember we have to come back right after the game, so I think the usual thing is to charter a bus. Please check up on this detail for me.

With every good wish, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
