Holsington, Kansas.

Dear Mr. Fugitt:

I just noticed in last night's paper where Leroy had suffered a fracture of his arm at his summer camp. I want you to know that I am terribly distressed and sorry for this accident, and I extend to Leroy and to you my sincere sympathy. Will you kindly convey to him my best wishes for his speedy recovery?

I trust that outside of this accident to Leroy the Fugitts will have a very good summer.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
