Dear Mr. Feakins:

We are very much interested in your letter of June 6th regarding a lecture by Helen Wills. I have spoken to Mr. Raymond Nichols, chairman of our Lecture Course here at the University of Kansas, and have told him of our interest in having Miss Wills here.

We admire Miss Wills very much, and have often pointed her out as an example of substantial young womanhood. I am enclosing copy of a radio program in our series "Physical Education for Health", sponsored by the Department of Physical Education during the school year, in which I have mentioned Miss Wills as an ideal for the college girl.

I trust it may be possible for the University to have Miss Wills on the Lecture Course series.

Thank you very much for bringing this to my attention.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
