New York City, N.Y.

Dear Mr. Feinberg:

Thank you for your letter of May 9th asking if the University of Kansas basketball team would be interested in playing in one of a series of inter-collegiate basketball doubleheaders in Chicago during the coming season.

The rules of the Big Six Conference, of which we are a member, prohibit any of the teams from playing off of campus gymnasias or field houses. I regret that this will prevent us from accepting your invitation to play at the International Amphitheatre in Chicago.

Very sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
