Dear Coach Allen:

Enclosed is the questionnaire filled in as requested. I'm sure the convention in Chicago on the 4th and 5th will be most interesting when these questions are discussed. I am making my first trip to listen in on one of these meetings, am looking forward to seeing old time coaching acquaintances like Dave MacMillan of Minn. my former Idaho coach; Layden, Keogan etc. the latter my hometown high school coach at La Crosse, Wis.

By the way, you told me to coach basketball, indirectly at least, since I purchased your basketball book and have always followed your articles in the various athletic journals etc. For that reason, I hope I have the pleasure of meeting you at the convention.

Coach Miller is no longer here; he is coaching in the southern part of the state.

Thank you kindly, I remain

Sincerely yours,

Bob Fitzke
