Gentlemen:

Acknowledgment is made of your postal inquiring about casters for an upright piano in your dance room.

Our suggestion would be to try 121-2 $\frac{1}{2}$  or 121-3 as illustrated and listed in our folder form #9937 which is being enclosed. The list prices shown are subject to discount of 40% f.o.b. Evansville.

We would be more than pleased to supply you with your needs.

Yours truly,
