My dear Mr. Allen:

Congratulations upon your championship season! That is getting to be almost a habit with you so I suppose it does not give you the thrill that it once did.

You may know that the Parsons Junior College team is undefeated this season to date. The civic clubs of the city are planning a banquet for our boys to be given sometime during the week beginning March 21. Would it be possible for you to come as our guest speaker for that occasion? We shall not set the exact date until we hear from you. I think we can use any evening of that week which may be the most satisfactory with you.

I sincerely hope that it will be possible for you to come and I know that our squad members will be delighted to have you here.

Very sincerely yours,

E. F. Farner
