Dear Dr. Allen:

I want to thank you for turning over my check to Mr. Falkenstien. The two tickets for the game were excellent.

Knowing the mental strain under which both teams were playing, it is not difficult to understand the errors made.

The Kansas line played a whale of a game.

I am anxious to see another of "Phog" Allen's well coached basket-ball teams play this year. Can you give me some information on the tickets and schedule for the coming season?

Thanks again.

Yours very sincerely,

Howard H. Frank
