

ext. classes

September 2, 1938.

Mr. C. J. Olander,  
Eudora, Kansas.

Dear Mr. Olander:

Thank you for your kind letter of August 31. I am glad to know that you enjoyed your course in our department this summer, and we are hoping that we may continue and expand our summer session offerings.

I am glad to know of your interest in extension classes in Kansas City. We are working with Mr. Guy Keeler, who is in charge of this bureau, and early in September I am to have a conference with him regarding the advisability of offering an extension class this winter. We shall be glad to notify you if such arrangements are to be made.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
