Campus

Dear Phog:

A week or so was needed to permit me to recover from the job of putting on the Resource-Full Kansas Exhibit, and accordingly this letter is less immediate than it should have been as acknowledgment and sincere thanks for your important share in this undertaking. Commendations in strongest terms have been expressed on all sides. I hope that all who saw the exhibit went away with the impression expressed by one well-known state official, "It was the best presentation of Kansas I have ever seen." It is disappointing, however, that really so few Kansas people had opportunity to see the exhibit. Possibly future opportunities with improvements will partly remedy that.

I want you to know that without the finest sort of cooperation on all sides a very successful Resource-Full Kansas Exhibit could not have been organized and carried through.

With my sincere thanks for your aid, I am,

Very truly

Raymond C. Moore
