Dear Dr. Mix:

I am in entire accord with your recommendations of June 9th concerning the three civilian students who have a number of unexcused absences in physical conditioning.

It is late in the semester, and in the case of Mr. Callahan I feel that we should permit him to finish his course.

I am sure you have dealt very fairly with each of these men, and we desire to cooperate with you at all times.

Very sincerely yours,

Director of Physical Education,

Dr. F. C. Allen
Dept. of Physical Education

Dear Dr. Allen:

Following a conversation with Mrs. Hulteen relative to the case of Leonard Roy I am willing, if you also approve, that he should make up as many unexcused absences in Physical Conditioning as you see fit to require. I have told him to go to his instructor about the matter next Monday.

Mr. Russell Schnee has been remiss about getting his report from his physician, but I learn on talking with him that he is nearly 38 years old. On Dr. Canuteson's advice I have been exempting men of that age and I think that is the best procedure in his case.

Mr. Henry L. Callahan has been much at fault, but he is a senior engineer close to graduation and I am inclined to be lenient in his case. He has been cutting Physical Conditioning to go on survey parties with Prof. McNown. As he gets outdoor exercise of several hours a week on this work I think we could, by stretching a point, excuse him for those periods; and I recommend that this be done. Prof. McNown has not known that he was cutting and Callahan has certainly not behaved as he should, but if he is put out of school now he will go at once into the Army. Otherwise he will be in the Army in a few weeks but with his degree and with a clear record and I am inclined to help him that much whether he deserves it or not. I hope you approve.

Sincerely yours

A. J. Mix, Chairman

Dear Dr. Mix:

Approximately six weeks ago Mr. Russell Schnee stopped in the office stating that he would get a statement from his physician concerning his physical examination, and Dr. Allen told him at that time we would not report his absences from physical conditioning class. However, no report from his physician has been received, and it seemed best to report to you on the absences that have accumulated. No doubt Mr. Schnee intends to get his physician's statement at his earliest convenience.
