Professor A. J. Mix, Chairman,
Committee on Physical Conditioning,
University of Kansas.

Dear Dr. Mix:

I am in entire accord with your recommendations of June 9th concerning the three civilian students who have a number of unexcused absences in physical conditioning.

It is late in the semester, and in the case of Mr. Callahan I feel that we should permit him to finish his course.

I am sure you have dealt very fairly with each of these men, and we desire to cooperate with you at all times.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
