The present game is from 6 to 8 minutes  
longer than <sup>was</sup> the center jump game.  
A simple rule of taking time out  
after every goal and starting the clock  
with the referee's toss ~~up~~ <sup>and</sup> would  
~~allow~~ <sup>permit</sup> the longer playing time ~~with~~  
the ~~resultant~~ <sup>resultant</sup> higher scores. ~~but~~ at the same  
time it would ~~allow~~ <sup>give</sup> the necessary  
~~pauses~~ <sup>pauses</sup> ~~for~~ the players' ~~and~~ <sup>recuperations.</sup>  
~~stoppages~~ ~~for~~ the spectators' physical and mental health.
