Mr. Ralph Cannon,
Esquire,
919 No. Michigan Ave.,
Chicago, Illinois.

Dear Mr. Cannon:

This is merely an acknowledgment of your very good letter of the 15th instant. I will do a lot of thinking on the matter concerning baseball. There are so many angles and possibilities that a fellow might strike on a good lead.

I will take a try at it and if it doesn't click nobody is hurt.

Sincerely yours,
