

THE UNIVERSITY OF KANSAS  
SCHOOL OF EDUCATION  
LAWRENCE

OFFICE OF THE DEAN

Mrs. Hultein:

There will be three parts to your enrollment report:

1. The Department of Physical Education
2. Men's Physical Conditioning Classes
3. Women's Physical Conditioning Classes

These blanks which I am enclosing should secure for you all the necessary information and can be compiled in the following table.

#	Title	Credit	Inst.	Grad.	Educ.	Col.	F.A.	Bus.	Total	Cr. Hrs.

I am trying best to have the permanent figures for the report here because this is the official report for this semester. I realize how rushed you are and I really am more interested in having the regular physical ed. report as soon as possible and should like to have the other when available.

This is a job and I will certainly appreciate your taking over that end. You are there where you can contact the instructors and in a report of this kind that is quite important because you always have to be double-checked <sup>any</sup> this or that it seems.

Thanks a lot,

Vivian Clark
