OFFICE OF THE DEAN

Professor F. L. Brown,  
107 Marvin Hall,  
University of Kansas.

Dear Professor Brown:

As I may not be able to attend the re-enrollment session Saturday at 1:30 in Hoch Auditorium, will you please see that Physical Education class cards are put in the campus mail box outside the Dean's office Saturday evening. Mrs. Hulteen, Secretary, Physical Education Department, will get these cards from the mail box Sunday morning and make out class lists for instructors.

Very truly yours,

Alice Winter, Secretary,  
School of Engineering  
and Architecture.
