

May 14, 1943.

Dean J. J. Jakosky,
School of Engineering.

Dear Jay:

Here's the response from our good friend,
U. F. Rible.

Remember, the first time you want me in a
golf game with this young man I will respond most
enthusiastically. I think he is a swell fellow
and I congratulate you on getting such personable
and efficient men on your faculty.

Cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
