MEMORANDUM

to

Professor J. D. Stranathan
Miss Helen Wroten
Professor R. W. Cooke
Mr. A. R. Bailey
Mr. Russell Lefferd
Dr. F. C. Allen
Miss Martha Peterson

Dear Colleague:

John Thomas Miller has been forced to withdraw from school to undergo brain surgery. He is reluctant to withdraw at this time because he does not wish to lose the semester's work.

I suggest that if he is doing satisfactory work at this date, he be given an incomplete in the course so that at some future time he may take the examination and receive the grade which his work justifies, rather than give him withdrawals.

Very truly yours,

J. O. Jones, Acting Dean
School of Engineering
and Architecture
