

Withdrawals of civilians will be reported in the customary way. Students withdrawn from V-12 are indicated on the weekly report of the sick, issued by the Navy. Any student whose name appears on the weekly report as "dropped from the V-12 program", is officially withdrawn from the University and no withdrawal notices will be sent to instructors.

Men listed on the sick bay report as "discharged" are fully able to participate in all classes. Men listed as "to duty" are able to attend class, but may be relieved of physical exertion. In either case, they are expected to attend classes and are to be reported absent if they do not appear.
