Dear Mr. Allen:

Due to uncertain weather conditions there and here, I don't feel I can get 850 miles from my job, thus my Xmas vacation is being spent in Battle Creek. I intend to do some studying at Ann Arbor, too. Sorry I won't get to drop in at K.U. + renew my acquaintances.

A card from Eliz. D. MacCurdy says Catherine has quit teaching + is married. Am I losing out on news + gossip about K.U.? Who takes her place there?

Where will the K.U. - Loyola B.B. game be played Jan 2 in Chicago. Some of us may drive down from here to see the game. We need to know the location of the place, as Chi isn't as easy to find things in as Lawrence unless you know where where you're going, especially as our time will be limited after school. Merry Xmas and Happy New Year. Luck to the B.B. team. Sincerely  
Ruth Baker.
