Mr. Ray Evans,
503 Barnett,
Kansas City, Kansas.

Dear Ray:

I have just checked up with Miss Kenney and find that you have eleven lessons in of your sixteen. Good work, Ray! You are the type of fellow that can always be counted upon.

Miss Kenney said Harry Lansing had not graded any of your lessons, but I understand that he has just returned to town and I will check up with him the first of the week to see that you get some of your lessons returned to you very shortly.

Sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball Coach.

Mr. John Buescher,
301 West 7th St.,
Beardstown, Illinois.

Dear John:

Well, John, I called Miss Kenney Saturday morning and true to tradition old John Buescher is working slowly but surely, and parenthically I might add, she stated that he is doing good work. So if you will put on a little more pressure and get those first three hours out of the way, then start your handspring on the second, I am fairly confident that you will grace one of those positions on that fighting Jayhawk team.

But, John, read this epistle that is enclosed with your letter and I will leave it to you if you don't think we have a job cut out for us. So be physically and mentally fit, as well as emotionally sound, and I will show you that not only the Glenns and the Buescbers and the Kuhls and the citizens of Beardstown, the State of Illinois, the United States of America will be proud of our own John Buescher! Selah!

With all good wishes to you and your family, and our very fine friend, John Glenn, I am

Very sincerely yours,

FCA:AH

Director of Physical Education and Recreation,

Mr. Charles Black,

Lawrence, Kansas.

Dear Charlie:

I called Miss Kenney Saturday morning and she tells me that you have but sixteen lessons to complete in your course in football; that you have actually enrolled but as far as a visible evidence of your having done anything she is totally at a loss to give me any information.

Sir Charles, can you inform me whether you have voluntary inertia, or whether you are just plain lazy? I would like to know.

Sincerely yours,

FCA:AH
