To the Members of the Education Faculty:

The women below have met the scholastic requirements for membership in Pi Lambda Theta. In accordance with the requirements of our constitution, we are submitting their names to you for recommendations.

We should appreciate your looking over this list and checking the names of any students you are willing to recommend on the basis of professional interest and ability, character, personal traits desirable in a teacher, and usefulness in the field of education. If you believe a person is not worthy of election, we shall appreciate your so noting. All information is held as confidential.

We have had some difficulties in compiling this list of women eligible for membership in Pi Lambda Theta. If you have anyone in your classes who you feel is qualified for membership, will you please add her name to this list before you return it so we may check on her scholastic requirements? We hope in this way, to avoid overlooking any woman who is qualified for membership.

Please return this sheet to room 103 Fraser not later than noon Saturday, March 18.

Thank you for your cooperation.
