OFFICE OF THE DEAN

September 4, 1941

Dr. Forrest C. Allen  
105 Robinson Gymnasium  
The University of Kansas

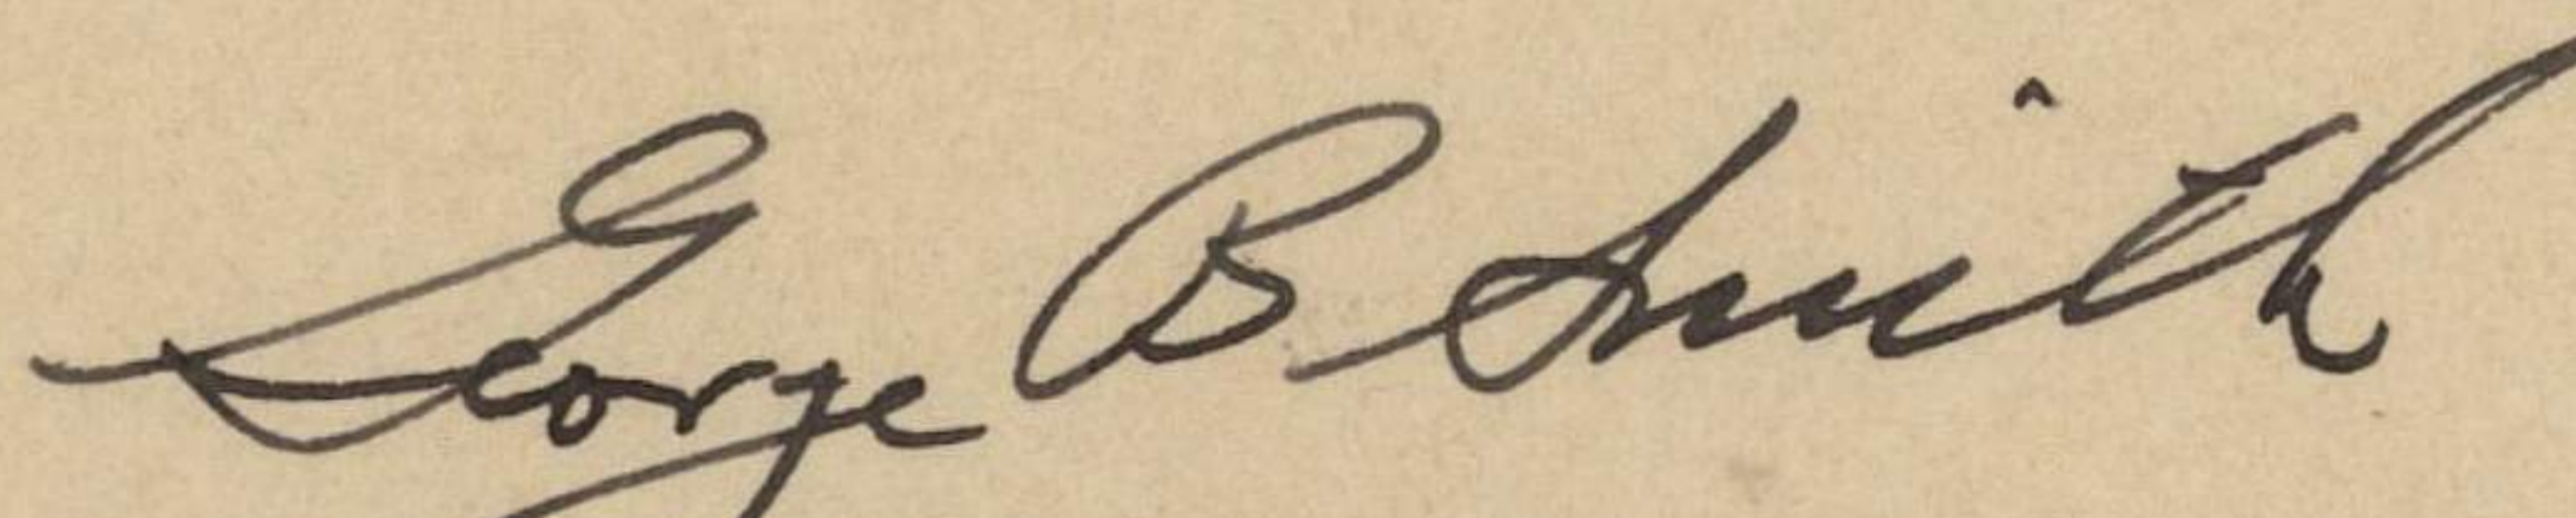

My dear Dr. Allen:

Again this year the committee on the University Teachers Diploma is asking your help in selecting the students who will be given the opportunity to do supervised teaching. As in the past, the committee wishes you to consider carefully the candidates whose cards are enclosed and recommend to the committee for acceptance those who you feel will develop into acceptable teachers in your field on the high school level.

It is hoped that you will make every effort to return these cards to the office of the School of Education by Thursday, September eleventh.

---

Sincerely yours,

George Baxter Smith  
Dean
