Dear Biffer:

Thank you for your very good letter of the 13th concerning information regarding the four tickets for the Nebraska-Minnesota game.

I have written my good friend, Mr. W. L. Breidenthal, President of the Security State Bank, 7th and Minnesota Avenue, Kansas City, Kansas, asking him to communicate with you personally and express his wants at once. I can say for him that he appreciates very much your concession under the conditions as they are at present. I note that the demand for tickets for your Minnesota game has far exceeded the supply, and for this reason I am thankful for your courtesy in handling this matter to the best of your ability.

I noticed in the press the other day a picture showing your physiognomy and the rest of your anatomy at the bottom of the pile. That was only a football scrimmage. If they will turn that pile upside down and put you and Nebraska on top, at the end of the race I think the picture will show in its true proportion.

With kindest regards, I am

Sincerely yours,
