ADMISSION. In addition to the general admission requirements students seeking admission to the four-year curriculum in Physical Education shall be required to present a certificate of physical fitness as a result of the physical examination at the University of Kansas Student Hospital. Each student shall be required to take an annual physical examination at the Student Hospital and to maintain satisfactory physical fitness.

ABSENCES, Etc. There is no system of permissible absences. Students having excessive absences may be withdrawn from the course by the dean, with failure.

FAILURES. Students failing in more than forty percent of their work will be placed on probation for a semester. This probation will involve reporting to the dean at specified times. If no improvement is shown at the close of the second semester, the student shall be withdrawn. A standing committee on reinstatement shall have power to act on petitions from students who have been withdrawn under this rule.

MAXIMUM LOAD. The normal enrollment shall be 15 credit hours per semester. Any deviation from this standard will be made on the basis of scholastic achievement during the preceding semester, but in no case will a student be permitted to enroll for more than 18 credit hours.

ELIGIBILITY FOR ATHLETIC PARTICIPATION. Eligibility for athletic participation shall be governed by rules of the Big Six Athletic Conference, which at present are briefly as follows: No person shall participate in any athletic contest unless he is a bona fide student having met entrance requirements and doing full work in a regular or special course defined in the curriculum of his school or college. A student to be eligible shall be carrying not less than 12 hours.

During the two semesters immediately previous to participation the student shall have satisfactorily completed not less than 27 hours. This section shall refer to credits during two semesters and summer school immediately previous to participation. Said summer school must precede or follow the second semester.

Miss Mateel Rich, School of Education, University of Kenses.

Deer Hies Rich:

Thank you for writing regarding Miss Sara Blizabeth Musbaum. One of her classmates informed me of her unfortunate illness prior to receiving your letter.

Yes, it will be very agreeable for us to make arrangements to take care of her wants when she is able.

Sincerely yours,

Director of Physical Education and Recreation, Varsity Basketball Coach.

Miss Sara Elizabeth Musbaum, Watkins Memorial Hospital, University of Kansas.

Dear Miss Musbaums

We are sorry that you are ill, but when you do anything you do it in an umusual way, don't you?

Who ever heard of a girl getting mumps in July? But you are different, - so we will make arrange-ments for you.

Sincerely yours,

Director of Physical Education and Recreation, Varsity Basketball Coach.

Dr. F. C. Allen 105 Robinson Gymnasium The University of Kansas

My dear Dr. Allen:

Miss Sara Elizabeth Nusbaum, who is enrolled in your course 200 The Theory and Practice of Athletic Training, has been quarantined in the hospital with mumps and will be unable to take her final examination at the regularly scheduled time. We should appreciate it, however, if you could take care of her when she is able.

Sincerely yours,

Mateel Rich

Secretary to the Dean
