

Dr. Forrest C. Allen

-2-

February 17, 1941

minutes I will be glad to hear from you and in particular I will be very happy to have you stop in any time that you have occasion to be anywhere in the vicinity of Hartford.

Please remember me to Mrs. Allen and to your children; and once more let me thank you for your thoughtfulness not only in writing to me prior to reaching New York, but in thinking of me regarding tickets for the game.

Sincerely,

Admiral J. R. Murray.
