

How is the B.B. team getting along?
I never can get that part of the country
on the radio, so am way behind on
Campus news. An occasional letter
from Evelyn Herriman revives my
memories & assures me that the P.E.
Dept. is doing wonders.

Alice Paden keeps me posted on Salina
gossip. Reports from other "Salinians"
show that Alice is doing fine there.
She & I are going back to WYU. this
summer together. My work at Mich
U. ended Feb 8. I'm not sorry. 5:30 A.M.
every Sat. & an 80 mile trip before
classes is a bit wearing if kept up
continually; however I would have
sacrificed the sleep if I had needed
to in order to get my M.A. Degree in Aug.

I'm eagerly awaiting a letter from
the Pres. of Antioch College in Ohio where
Mr. Chandler has recommended me as
a candidate for a P.E. job. I have
written too. Probably someone will come
along who has had more experience.
That's my luck.

I must close & get cleaned
up. I will soon be supper time.
Kindest personal regards from
a camper
Sincerely
Ruth Baker.
