Dr. F. C. Allen  
Physical Education Department

My dear Dr. Allen:

I have placed on file at the education desk in the library the first and second annual reports of the Chicago Park District, for the years 1935 and 1936, and also a number of manuals issued by the Chicago Park District which show in a very interesting way the type of voluntary education which is sponsored by the parks of Chicago.

I think you might find this material of interest to some of your classes.

Sincerely yours,

*Raymond A. Schwegler*
