

THE UNIVERSITY OF KANSAS
SCHOOL OF EDUCATION
LAWRENCE

October 12, 1937

My dear Colleague:

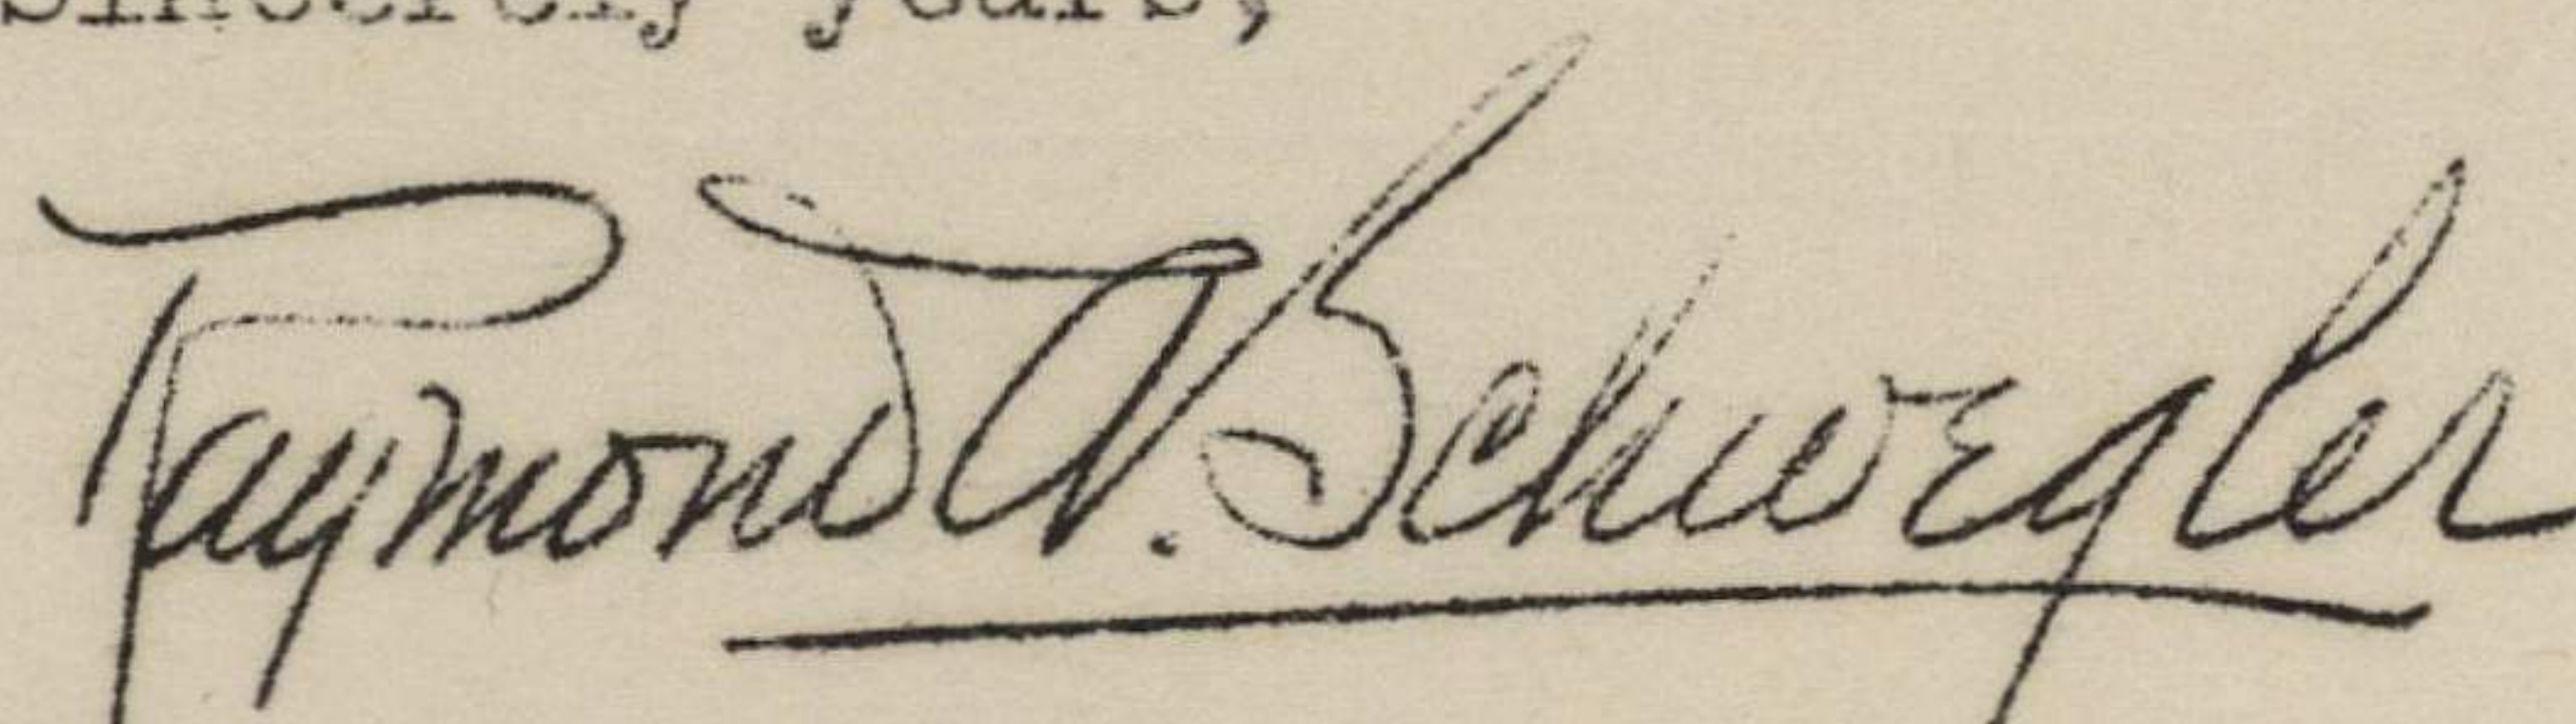

On Monday, October 18, the State Department of Education is holding an all day conference at the University of Kansas in connection with the improvement of instruction program. You have undoubtedly received from the state superintendent's office a copy of the program for the 10:00 and 1:30 meetings to be held in Fraser Theater on the University campus.

The University wishes to second the invitation of the state department to attend this meeting and bring with you any members of your teaching staff who are interested in curriculum study.

The purpose of the meetings is to present the program for this year, make plans, and distribute the materials prepared for the year's work. Prof. Doak Campbell will be visiting curriculum consultant and will be very happy to take up individual problems with you.

In behalf of the University of Kansas we wish to extend to you a very cordial invitation to participate in this conference.

Sincerely yours,

Raymond A. Schwegler
Dean
