Dear Coach Bryan:

I am sorry that I neglected to answer your good letter of January 11 sooner. I notice that you played in the Tournament on January 17.

Your letter became misplaced in a stack of some old unanswered correspondence and I failed to dig it out in time to be of any service to you.

Please write me and tell me how you got along. I am anxious to know. I hope that you were successful.

Sincerely yours,

Director of Physical Education and Recreation
