Dean R. A. Schwegler,
School of Education.

Dear Dean Schwegler:

I am glad that you have called the attention of Professor J. H. Nelson to the omission of an announcement regarding the notice of a meeting of freshmen in the School of Education this past fall.

I am very sure that such a meeting will be very profitable for the incoming students. It develops an early solidarity which is conducive to better morale of this first year group.

Thank you for the copy of your letter.

Sincerely yours,

FCA:AH

Director of Physical Education.
