

November 3, 1937.

Dean R. A. Schwegler,
School of Education.

Dear Dean Schwegler:

I would like to call your attention to the meeting of the Physical Education majors in the Union Building at 7 o'clock Thursday evening, November 4. The price of the tickets for the dinner is 40¢.

We would be very happy to have you come to this meeting if you find it convenient. However, I imagine you are very busy at this time, and if you have to choose between two meetings, I suggest you choose the other meeting.

The Co-op Club is giving a banquet to the football team at the Country Club Thursday evening, and they have obtained Mr. E. C. Quigley as chief speaker. This will, of course, cut down to a great degree the attendance at our meeting, but it is getting rather late and we felt that we should have our first organization meeting, at least, and have the officers elected.

With all good wishes, I am

Sincerely yours,

FCA:AH

Director of Physical Education.
