Dr. F. C. Allen
Physical Education Department

My dear Dr. Allen:

Early in April Julio Bond found it necessary to withdraw from all of his classes to go to work so that he could return to the University next year. During the past month we have been attempting to get in touch with him to learn what his intentions were, and he has just advised us.

If it is within the realm of possibility for you to grant Mr. Bond an honorable withdrawal in 37 First Aid we shall be happy to have you do so. Please advise us on the attached slip.

Sincerely yours,

Raymond A. Schwegler
