

September 22, 1938.

Dean R. A. Schwegler,  
School of Education.

Dear Dean Schwegler:

In regard to certain charges of this building  
being one of the dirtiest buildings on the campus,  
I am wondering if you will kindly call for cooperative  
help in determining whether it is or not. I will  
thank you for your action.

Very sincerely yours,

FCA:AH

Director of Physical Education,  
Varsity Basketball Coach.
