OFFICE OF THE DEAN

September 10, 1938

Dr. F. C. Allen
Robinson Gymnasium
University of Kansas
Lawrence, Kansas

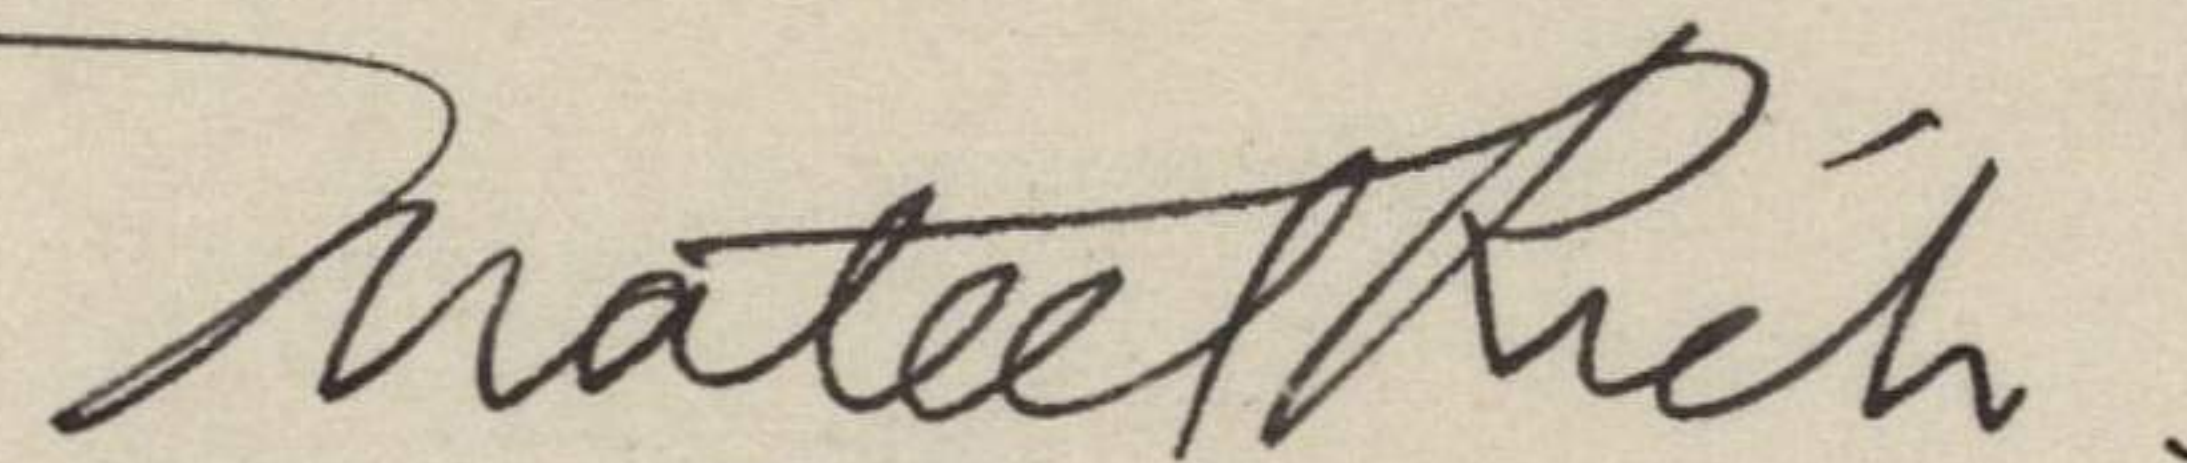

My dear Dr. Allen:

Ernest Klann, one of our Physical Education majors, is currently enrolled in four (4) hours by correspondence. He has paid part of his fee but \$10.00 remains to be taken care of before the credits can be released by the Correspondence Study Bureau.

I am writing you to see if there is any way in which you can help Mr. Klann. He needs the credits to be considered for practice teaching this fall. Without it, he will not be eligible to do the practice teaching. He advised Miss Kenney that he is working at the Stadium but will not be paid until October 1.

If there is anything that can be done so that his credits may be released before the meeting of the Committee on Practice Teaching, which will probably come September 15, I know Mr. Klann will appreciate your cooperation.

Sincerely yours,

Mateel Rich
Secretary to the Dean
