Dean R. A. Schwegler,
School of Education,
University of Kansas.

Dear Dean Schwegler:

The personnel of the Senate Committee on Physical Education and Athletics is as follows: W. W. Davis, chairman; F. C. Allen, F. L. Brown, Gwinn Henry, Karl Klooz, James Naismith, N. P. Sherwood, F. T. Stockton, J. D. Stranathan.

Last Wednesday evening at the meeting of the General Committee on University Christian Mission in the Union Building I saw U. G. Mitchell. He is much interested in the work of the Senate committee and what they can do for physical education and intramural athletics. I told him that we would love to have him on the committee, and he thought that he would be much more valuable off the committee than on. The personnel of this committee looks very good.

I would be glad to meet with you and discuss the possibilities of the work of this committee. The time of our meeting, of course, will be at your convenience.

I think I told you, did I not, that we are to have \$1200 from the student activity fund to grade the intramural field for next fall. This is one of the activities that I expect to supervise this summer.

I am also ready to report to you on the physical education recreative set-up for the Summer Session.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
