Dr. F. C. Allen  
105 Robinson Gymnasium  
The University of Kansas

My dear Dr. Allen:

We were making a list of the midterm standings for the Chairman of the Committee on Eligibility to Non-athletic Activities. I am sending a copy to you for your information.

Those names marked with an "x" are not physical education majors; all others are physical education majors.

Sincerely yours,

Mateel Rich  
Secretary to the Dean
