

December 30, 1938.

Miss Maceel Rich,
School of Education,
University of Kansas.

Dear Miss Rich:

Thank you very much for your kindness in sending me a copy of the Chicago Daily Tribune. I enjoyed reading the marked articles.

As you probably know, the promoters always heighten the tall players and dwarf the small players with the viewpoint of creating unusual conditions.

I am returning the newspaper.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
