

November 22, 1939.

Mr. Joe Bloomer,
Claflin, Kansas.

Dear Joe:

Your wire came Sunday and your letter of the 18th arrived Monday morning.

You may count on me for December 12th.

I am quite sure that Mrs. Allen will want to come, but she is afraid of snow and other hazards, and she wants to wait and see if it snows enough. You can count on me to arrive there one way or another. It will be a pleasure to see you and your good family.

With all good wishes to you and Evelyn, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
