Dear Doc;

Just a brief note to offer my congratulations for
another undefeated Jayhawker Big Six Championship team.

Your record still speaks for itself.

I am hoping you draw the Kansas City auditorium
for your play-off with the Oklahoma Aggies. We will all
be there to see you hang one on Iba's chin. This time
I hope you don't stop with runner-up in the N.C.A.A..

Good luck.

Sincerely,

Don Ebling
