I also have a letter from Everett Hill who saw your Air Force Super Bomber game against El Torro Marines from Santa Anna, California. Everett said in his letter: "I am probally a little prejudiced but I thought Ray Evans was the best back on the field. He passed for the only touchdown and all-around played a beautiful game."

Ray, will you write me at your earliest convenience regarding your idea of Cpl. James A. Kane's and Cpl. Bob Hendren's decisions concerning the possibility of attending the University of Kansas. With every good wish to you and every good thing, I am,

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach
